

The image shows the front cover of a 'City Map Book'. The cover is made of a brown, leather-like material. It features a decorative border composed of multiple rectangular frames. The outermost frame is a simple double-line border. Inside this, there are larger rectangular frames, each containing a diagonal line that divides the space into two triangles. These diagonal lines are formed by a repeating pattern of small, interlocking oval shapes. In the center of the cover, there is a dark, rectangular label with a thin, ornate border. The label contains the text 'CITY' and 'MAP BOOK' in a gold-colored, serif font. The text is arranged with 'CITY' on the top line and 'MAP BOOK' on the bottom line, both centered horizontally. The overall design is classic and elegant, typical of early 20th-century bookbinding.

CITY  
MAP BOOK
